ATS CLARITY

Practice invoice

Try changing the invoice number and status. Keep the table in place.

INVOICE NUMBER

DEMO-1043

STATUS

Ready for review

BILL TO

Alex Morgan - fictional customer

DATE

27 October 2026

Description	Qty	Amount
Document review	1	$40.00
PDF preparation	1	$25.00
Total		**$65.00**

What to check after editing

The new words are selectable and the old words are removed.

The line items, amounts and table rules remain where they were.

Pages 2 and 3 have the same appearance as the original.

Layout check

This page is unchanged in the published edited example.

Keep paragraphs, spacing and page count

Use this fictional document to practise a small text correction.

The PDF editor changes selected text without rebuilding every paragraph.

Longer replacements still need enough room on the original page.

Check	Expected result
Table lines	Stay in their original position
Selectable text	Remains readable as text

ATS CLARITY

Review your download

A short checklist before sharing an edited document.

1. Check your correction

Confirm the intended words, numbers, font and spacing.

2. Check nearby content

Review adjacent cells, page edges and any longer replacement text.

3. Keep the original

Download your edited PDF and save the source separately.
